

RELATIONSHIP *Solutions* CENTER P.C.

The Fast Track to Healthy Relationships for Couples Change Your Relationship NOW in Just One Day!

On a scale of 0-10 (0= no problem; 10= worst imaginable problem) how do you rate your communication and problem-solving success with your partner? What if you could lower your score in just ONE day? Are you ready for a radical change NOW?

More people are choosing educational workshops that focus on skill building. Relationship Solutions Center has designed a program that focuses on:

- Improving communication
- Resolving misunderstandings
- Effective problem solving
- Building connection and loving feelings

These solutions exist! The skills you learn and practice with your partner (you choose how much to share with other participants) will create a "toolbox" of strategies to use when you feel angry, stuck or disconnected from your partner.

Next Couples Relationship Workshop:

October 9, 2010 9:00 – 4:30

Do you like saving? By attending this workshop, you save money by getting a whole day of relationship help for less than it would cost for two hours of counseling. That's only \$15 per person, per hour! By attending NOW you can save time spent in painful conflicts and the suffering that comes with them.

Workshop fee: \$245 per couple.
